FUNERAL PLAN

The plan that takes care of all your funeral needs, allowing your family to focus on what matters most

The loss of a loved one is a difficult and emotional time for family members left behind.

The high costs of arranging a funeral can add financial stress, which is why this Funeral Plan provides you and your family with peace of mind and financial freedom during these difficult times.

There are two cover options, a **Basic** and a **Comprehensive** option so you can choose the one most suitable to your needs and financial circumstance.

Each option covers a policyholder, one spouse and a maximum of six children with a choice to add parents and parents in law as well as extended family members.

All valid claims are paid within **48 hours** after all the required claim documents have been submitted.

Value Added Benefits

For the policyholder, should they pass away.

Available on **Basic** and **Comprehensive** options.

Premium Waiver

Should the policyholder pass away, 12 months of cover is provided for the immediate family at the same benefit levels.
